SKYBOX CATERING MENU

2023 UTC FOOTBALL SEASON

Welcome Back!

On behalf of everyone here at Finley Stadium, I'd like to welcome you back for another electrifying Mocs football season!

Throughout the spring and summer season, our team has been working tirelessly to change certain aspects in the skyboxes that are sure to enhance your guest experience.

We have partnered with a new caterer this year - Party Bites Catering - to bring you a delicious menu as you cheer on the Mocs. We've got all your favorites - from assorted sliders, to hamburgers and wings, to different dips and desserts. We can't wait for you to try it all!

In another effort to improve your experience, we have upgraded all of the audio & visual equipment in your skybox. This is the largest skybox investment in stadium history! You'll be sure to feel like you're in the stadium stands but in the comfort of your own skybox.

Lastly, Finley Stadium is moving towards zero-waste in the skyboxes! Every skybox features zero-waste stations for compost and recyclables, with the goal to achieve a 90% diversion rate this Fall. Almost everything in your box will be recyclable or compostable - plates, cups, cutlery, you name it. Our goal is to reduce landfill contribution, limit our footprint, and support local.

I'll be here with you for another football season, so relax, enjoy these delicious menu items and cheer loudly for the Mocs. As always, feel free to reach out if there's anything I can assist you with!
